

Team Captain Outline

Congratulations on being a BulaFIT Captain! Participating in the BulaFIT Challenge as part of a team is one of the best ways to achieve your health goals. Team accountability and motivation plays a large factor in everyone's success.

As a Captain you can have a major impact on the individual health transformation of everyone of your team. Don't worry, you don't need any special qualifications or credentials. The impact will come as you simply encourage your group to connect and support each other. The magic comes from the team! Your job is to help facilitate team communication and connection.

What is a BulaFIT Team?

BulaFIT Challenge Teams can have up to 8 members. If you have more than 8 people who would like to participate, then please sign-up another team. As a team, you will support each other via daily team communication and weekly Team calls.

How to set up a Team

To sign-up your team, visit www.bulafitwarrior.com and go to the "create team" button to see the team roster sign-up form. Complete the form for each member of your team. There is a video on the form that explains the sign-up process.

Once your team is created, the next step is to:

- 1. Choose your team name-** Having a team identity is a fun way to refer to each other and to create team unity. You'll be amazed at the friendships that will be forged as you all go through this transformation together.
- 2. Determine your daily communication method-** Identify the primary communication method your team will use. Popular choices include group texting or Facebook messenger groups. Communicating every day keeps the team connected and provides individual support and encouragement.
- 3. Choose a day and time for a weekly team call-** Successful teams constantly work on improving their knowledge and resolve. Your weekly team call is an opportunity for your team to check in with each other, celebrate successes, identify difficulties, and to generate ideas on how to overcome them. Overall, your weekly team call should be the most encouraging and motivation call of your week!

Daily Team Communication Outline

The more positive communications your team has throughout the day and week, the stronger your team will be! As a Captain, encourage your team to interact by sending 2-3 Facebook Group or Text Group messages throughout the day.

Morning example: "Start today strong! What's one thing you'll do today to achieve your goal?"

Midday example: "Time for some Keto Kofi, what's everyone having for lunch?"

Evening example: "What's one thing that went well today? What's one thing you'll do differently tomorrow?"
