Program Details

Vinaka Loyalty Rewards are available to our Ambassadors as well as Retail and Preferred Customers with a qualifying Autoship. Qualifying Autoship orders have a subtotal (without shipping and tax) of \$100 or more with a corresponding total of QV (100 QV, 200QV, or 300QV). Only Wakaya commissionable product count towards these totals. Sales aids, event registrations, and non-commissionable product do not count towards qualifying Autoship totals. Vinaka rewards credits are issued by the 15th of the month

following the Autoship order.

Example: An Autoship order has \$220 and 240 QV of commissionable product and is processed on Oct 12. This order would trigger a \$20 rewards credit to be issued between Nov 1st-Nov 15th.

Vinaka rewards credit can only be applied to a single full-priced item or pack. Rewards credits may not be used on Paradise Packs, specials, event registrations, promotional items, sales aids,

order shipping, or tax. BV and QV is not issued on reward credit. Multiple Credits may be used on the same order, but not on the same item.

Example: A \$20 rewards credit is used to cover or reduce the cost of Pink Fijian Ginger from \$25 to \$5. BV and QV would be paid on the remaining \$5.

Earned rewards credit may be viewed on the 'place order' page in your Back Office. All rewards credit expires 90 days from the date issued.
